Cechy charakterystyczne wysokiej jakości narzędzi Chifa

Features standing for the high quality of Chifa nippers

Jesteśmy producentem ponad 4000 wzorów narzędzi chirurgicznych, dentystycznych oraz weterynaryjnych. Fabryka powstała w 1946 roku i aktualnie zatrudnia ponad 1300 pracowników. Jakość i marka firmy rozpoznawana jest w ponad 50 państwach na całym świecie.

W poniższym katalogu prezentujemy Państwu ofertę narzędzi kosmetycznych. Wszystkie narzędzia produkowane są w naszym zakładzie i przechodzą cykl dokładnych testów jakościowych – zgodnych z ISO 2001/13485.

Na produkowane narzędzia firma udziela 1-roczonej gwarancji.

Gwarantujemy, że każdy produkt opuszczający fabrykę jest wolny od jakichkolwiek defektów w materiale lub wykonaniu.

Warunkiem skorzystania z gwarancji jest stosowanie produktów zgodnie z ich przeznaczeniem oraz właściwe przygotowywanie, obchodzenie się i sterylizacja. Polecamy zapoznanie się z zasadami zawartymi w instrukcjach sterylizacji sprzętu.

Szczegółowe informacje dotyczące instrukcji użytkowania oraz szczegółowych warunków gwarancji znajdują się na stronie www.chifa-oem.pl

Piktogram umieszczony przy zdjęciach narzędzi przedstawia:

Długość narzędzia
 XXX mm

Wszystkie narzędzia posiadają matową powierzchnię. Na specjalne zamówienie możemy wykonać narzędzia z inną powierzchnią.

We are manufacturer of over 4000 surgical, dental and veterinary instruments. The factory was established in 1946 and currently employs more than 1300 of staff. The quality of our products and our company's brand are highly recognized in more than 50 countries all over the world.

We would like to present you a full range of our cosmetic and podiatry instruments. All instruments are manufactured in our own plant and all instruments undergo a strict quality inspection, according to ISO 2001/13485.

We gives a one-year warranty for its products.

We guarantee that all products leaving our plant are free of any material or workmanship defects. The condition to make use of the warranty is a proper application and usage of the instruments as well as a proper preparation, handling, sterilization and storage.

Pictograms placed next to the pictures of the instruments characterize some features of the instruments and mean:

Detailed information regarding the instruction of use and warranty conditions please find at www.chifa-oem.pl

Overall length of the instrument
 XXX mm

All instruments have got sand blast surface finish. On special request we make instruments with various surface finish.

Technical Service

Professional repair of surgical instruments

Technical Service – professional service of devices and instruments used in surgery, bone surgery, dental surgery, microsurgery, implantology, orthodontics, periodontics, prosthetics and other applications.

In our offer you will find services of professional repairs of instruments, where the range of repairs includes technological processes identical with these of producing the new instruments (grinding, polishing, sharpening, straightening, eliminating spots of corrosion, replacement of hard inlays, marking instruments).

If your instruments are not working in the way they used to, are blunt or deformed, please send them to us. With a minor financial outlay, and thanks to our expertise your instruments can regain their full functionality and safety of use.

The collaboration with us means only advantages:

At moderate prices you will keep your instruments

- in the optimal condition, similar to new ones, allowing for further safe use
- the high quality of the repair service is guaranteed by the prolonged period of use and proper functioning of your set of instruments
- in case an instruments sent by you cannot be repaired, we offer you to purchase a new product on profitable conditions
- clear price conditions, which allow for your budget to be planned
- keeping the agreed dates since the day of placing the order to its realization thanks to a new
- logistics concept
- warranty for the repaired instruments – 6 months
